

# MBA Mobile Security Bin

## Secure Document Waste & Streamlined Lid-lock System

Secure Document Waste is a reusable commodity. Customers are high profile or executive firms that have to be reassured that the collector is no amateur. A stylish bin with state of the arts integrated locking system is the solution for disposal of sensitive documents. When choosing secure documents disposal bins remember...

### 240 litre bin

Weight 15.5 kg

#### Dimensions

A	1070 mm	E	995 mm
B	740 mm	F	550 mm
C	570 mm	G	1140 mm
D	535 mm		

Paper carries heavy 'deadweight' that can exceed recommended carrying capacity of some MGBs, topping out in some instances at 85kgs plus! MBA combine the most durable bin, manufactured to the original robust German BIN [RAL-RG 723/2] standard with the LOCK & SLOT LID.

When bins are 'double stacked' [assembled MGBs stacked 2 high] ready for field distribution. MBAs 'Flat Lid' plus DIN standard Bin combo possess superior OH&S stability. When stored at your depot the flat lid stabilizes the upper bin safety.

Custom locking key codes are available. A single key fits all your bins.

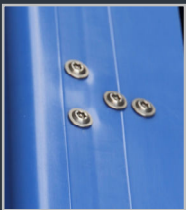

For large orders LOCK & SLOT LID can be moulded with a 'black' or 'front' slot to suit your requirement.

Hot stamping service is available  
Available in MGB 120 and MGB 240
